This is in response to the "Response To Decision on Petition" filed on 17 May 2010.

DISCUSSION

In a Decision mailed on 18 March 2010, applicants were advised that

Review of the record reveals that an executed declaration was filed on 14
February 2007. Inspection of that declaration reveals that the sheet signed by
Seung-Won KIM appears to have been separately faxed, and later attached to the
remaining sheets. MPEP 605.04(a) states (in part) that...

In view of this policy, it would not be appropriate to accept the declaration filed
on 14 February 2007 for purposes of compliance with 35 U.S.C. 371(c)(4) and 37
CFR 1.497(a) and (b). Therefore, the Filing Receipt and Notice of Acceptance
mailed on 04 June 2007 were issued in error, and both are hereby VACATED.
Applicants are required to file an oath or declaration compliant with 37 CFR
1.497(a) and (b). A declaration naming the entire inventive entity and signed by
Seung-Won KIM, and meeting all other pertinent requirements, would be
acceptable.

In response, counsel has provided an appropriate declaration executed by Seung-Won
KIM. Taken in combination with the declaration documents previously of record, this declaration
satisfies the requirements of 37 CFR 1.497(a) and (b).

DECISION

The declaration is **ACCEPTED** for purposes of 37 CFR 1.497(a) and (b).

This application is being returned to the Office of Patent Application Processing. Its date
under 35 U.S.C. 371(c)(1), (2) and (4) is **17 May 2010.**
